

## Careers In Nonprofits Announces Plans to Acquire PNP Staffing Group

*Two leading nonprofit staffing agencies announce plans to join forces to expand national presence and executive staffing services for nonprofit organizations.*

CHICAGO, ILLINOIS (August 17) Careers In Nonprofits and Professionals for Nonprofits, dba PNP Staffing Group, will join services effective September 1. The pending transaction will enable Careers In Nonprofits to grow their presence in New York, Washington D.C., and throughout the eastern seaboard. PNP Staffing Group will retain its name and headquarters in New York City.

"I am proud of the pioneering role PNP has played in the nonprofit sector and am excited to see the organization take the next leap forward. When I founded Professionals for Nonprofits (PNP) in 1996, I envisioned a company that would enable nonprofits to recruit the experienced talent necessary to grow mission-driven organizations. Twenty-six years later, we continue to specialize in filling positions in nonprofits that are key to performance and growth" said Gayle Brandel, CEO of PNP Staffing Group.

Nurys Harrigan-Pedersen, Careers In Nonprofits President and Founder, has a personal history with PNP Staffing Group—it's where she first started her nonprofit staffing career. "PNP is a pioneer in the sector. Over the past twenty-six years, Gayle Brandel and her team have established a proven track record of nonprofit staffing successes. Gayle and I have a deep respect for each other and the nonprofits we serve" says Harrigan-Pedersen.

The combined organization plans to expand their services in Executive Search, Direct Hire and Temp Staffing exclusively for nonprofit organizations. Careers In Nonprofits is an eight-year winner of the Best of Staffing Client Satisfaction Award and Best of Staffing Talent Satisfaction Award. "We are excited to take this step forward in our strategic vision to expand our skills, capabilities and client presence as a leading nonprofit staffing authority across the U.S." said Doug Pedersen, CEO of Careers In Nonprofits.
